Re: EX PARTE -- WC Docket No. 02-67: Application by Verizon for
Authorization to Provide In-Region InterLATA Services in New Jersey

Dear Ms. Dortch:

On June 11, 2002, Christopher Frentrop, Mark Schneider and I, on behalf of WorldCom, Inc., met separately with Kyle Dixon of the Chairman's office, Sam Feder of Commissioner Martin's office and Bryan Tramont of Commissioner Abernathy's office to discuss pricing issues in the above listed application, including both the "benchmarking" of New Jersey rates to New York (using the attached document which was distributed at the meeting), and TELRIC errors in Verizon's switching rates (using the confidential version of our attached redacted May 16, 2002 ex parte).

Pursuant to the Commission's rules, I am filing an electronic copy of this letter and request that it be placed in the record of this proceeding.

Sincerely,

Keith L. Seat
